## Work Experience

---

CivTech Inc. (May 08 – Present)

Scottsdale, Arizona

**Transportation Engineering Intern:** Perform analysis for transportation engineering projects and report the outcome determined by level of service, queue storage, and roadway capacity. Projects, including creating models transportation engineering software, analysis of the impact on the surrounding roadway network, and report or memo.

Perform site visits prior to the beginning of an analysis in order to determine potential problems around the area with the roadway network and the potential additions to the network.

Edible Arrangements (Jan. 08 – Sept. 08)

Chandler, Arizona

**Customer Service & Designer:** Answer any questions and handle any complaints thoroughly and effectively. Run the store on the weekends which entails taking and fulfilling orders and making weekly deposits.

## Education

---

Arizona State University – **Civil Engineering** (Aug. 2005 – Present)

Tempe, Arizona

Expected graduation: December 2009 – 4 year (B.S.) degree and minor in Dance.

## Awards

---

<b>ASU:</b>	Dean's List
<b>Academic:</b>	National Dean's List
<b>Scholarship:</b>	Paragon Structural Design
<b>Scholarship:</b>	CMX Engineering
<b>Scholarship:</b>	ASU Sun Devil

## Qualifications

---

**Traffic Design:** Utilizing design software (Traffix and Synchro) to create models and reports of existing and future traffic conditions. Discover and remediate any potential traffic issues present in given project.

**Project Objectives:** Communicate strongly with project manager and design team to complete the project correctly and efficiently. Effective at handling multiple projects and prioritizing demands to meet project deadlines.

## Volunteer & Extracurricular Activities

---

**Sun Devil Drill Team** - Tempe, Arizona (Sept. 2007 – Present)

Learn and perform routines in order to promote school spirit. Appointed to treasurer in charge of reimbursements based on fundraising for the purchase of the uniform.

**Residence Hall Association** – Tempe, Arizona (Sept. 2007 – Dec. 2008)

Served as secretary for a student organization that provides activities and promotes community within the residence halls at ASU. Elected to the position of Programmer where along with the President, I was in charge of a residence hall and planned and executed all events.
